**Disclaimer: Companies may pay a small monthly advertising fee to be listed. Obviously we cannot guarantee a companies services or products. But before we put them up on our program, we go to the Better Business Bureau to see if a company shows up as having a history of unanswered consumer complaints. Also before we list them, where applicable, we do a license look up through the state to make sure licensing is in good standing. However, there is always the possibility that we do not have the absolute current information, so we always suggest you should do your own fact gathering and ask your own questions to feel comfortable with who ever you are thinking about working with, whether it is someone advertising on our program, or you see them listed somewhere else. When calling on any of the companies listed in this directory, be sure to mention Minnesota Seniors.**
