### **GIVE YOUR FAMILY PEACE OF MIND.**

"We did something nice for our family today... our funeral prearrangement."

We offer you the convenience of taking care of your wishes in the comfort and privacy of your own home.

Whatever your wish, from simple cremation to traditional or a combination to meet your family's needs. We take care of it all.

Our plans are protected by State law from nursing home, taxes and probate no fees. We take care of all the details. Even the simplest of funeral arrangements can cause a financial hardship. Our plans are 100% portable, so if you move, your policy will follow you.

Current interest rate is 3% daily with a guarantee of never less than 2%. Our disclosure sheet shows exactly how the trust works. Purple Cross can pay the beneficiary of that policy within 48 hours. This helps families or care workers pay for services immediately.
